Book Club
This year the school is commencing Ashton Scholastics Book Club. This is another initiative to encourage students to read for pleasure outside of the classroom. Twice a term catalogues will be sent home for students. Students will have a week to place their orders online. The school will be running a cashless system. How this operates is that parents go online and pay by credit card directly to Ashton Scholastics.

Once this transaction has occurred, you will receive an 11-digit receipt number. The student order form is returned to the school quoting the receipt number. The school will then process the order and the students will receive the goods in due course.

Medication

If your child has any allergies, medical condition or special needs, talk to your child’s teacher as soon as possible. All medicines should be placed in sick bay for teachers to administer and NOT in children’s bags.
