Friendships to boost your child’s learning
If children are happy socially they tend to be more engaged in their learning. So teaching your child about the importance of making friends is as vital as learning their ABCs. Find out more:

Assignment starters for the arts
Videos are great resources for getting kids enthused about their assignments. These pages on cubism, percussion and critical studies provide key points to help them get started and links to useful sites to assist with further research. Find out more:

Speech problems
All kids learn how to talk and listen at different rates but did you know there’s a general pattern to your child’s language development? Find out more:

Helping your Kindy kid succeed at school
A great way to kick off your child’s formal education is to understand the school culture and what your child is doing in the classroom. Find out more:

School Newsletter by email
The school newsletter can be emailed to you or downloaded from the school website. If you would like this to occur please email your request to the school:

A hard copy will not be issued to every child after next week. Copies are available in the school office each week.

From the Principal’s Desk……
It was great to see so many parents attend last week’s P&C meeting. Thank you to those parents who volunteered to join committees to assist the P&C with the fantastic work they do in supporting our students and the school.

Enrolments continue to increase. This week we welcomed another 2 students and their families into our school community. Currently we have 187 students at Bourke Street PS.

Enrolments for 2014 have begun flowing in. My advice is to get your application in early.

Just a reminder to parents, that if you are planning a holiday which will result in your child not attending school it is always good to let your child’s class teacher know. If the holiday results in your child being absent from school 20 days or more you must see me to complete DEC forms supporting your child’s absence.
