Keep up the Great Work Everyone!!

---

**Value of the Week**

😊 Kindness 😊

---

This Thursday students will be doing our bit for the Clean-up Australia campaign. After Lunch students will be collecting any rubbish in and around our school. It is encouraged they bring tongs or gloves to school to assist them with the rubbish collection. Teachers will reinforce that, should children find any dangerous items they shouldn't pick them up but let a teacher know. Thanks to Ms Campbell for organising the event.

RIDE-A-THON

The P&C and Bike2Bourke are holding a very exciting RIDE_A_THON on Friday 5 April. Not only will this be an excellent way for kids to help raise money for our school, it also reinforces our commitment to promoting the healthy and fun aspects of riding. The Ride-a-thon will allow children to ride either bikes (preferable) or their scooters.

The 'Ride-a-thon' will take place within school grounds and also at Moore Park. During the day, we'll also have a special sausage sizzle where the children will be able to order a special lunch.

Full details of the event will be sent home soon, along with your child's sponsorship form and lunch order form. We are also looking for parent volunteers to help out on the day, so if you are free on Friday 5 April, please come and see either Hetty or Lydia.

.................................................. Sorting fact from fiction..................................................

Help your child develop their “dodgy website” antennae when doing homework. Here are ways your child can tell a good website - or any document - from a bad one. Find out more: http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/sorting-fact-from-fiction

------------------------------------------- Canteen hours-------------------------------------------

A friendly reminder that the school canteen is closed for business after the lunch break has finished. This allows Elham to wrap things up for the day and get away at a decent time.

From the Principal's Desk......

Meet the Teacher sessions last week, were very informative about how your child’s classroom operates. Thank you to the staff for their professionalism and time for holding these sessions. I have had nothing but positive feedback from the parents who attended.

Thank you to everyone who managed to attend the “Welcome” afternoon tea last Friday. A special “THANK YOU”, to all the parents and P&C members who organized the event and assisted with the preparation and cleaning-up.

The Selective high school test is held annually for Year 6 students wishing to enter a selective government high school. Applications were lodged last year. Students will receive notification in the mail of the time and location for their test. Good Luck!

Just a reminder, that the Media permission forms sent home to all students need to be completed as soon as possible.

Jewish scripture classes will commence this week. If you would like your child to attend please notify the school in writing ASAP.

Health action plans need to be returned immediately so that the school can update its records.

We have several cases of head lice in the school. Please take the appropriate action of checking your child's hair and scalp for any evidence of infestation.

Should you find any evidence please consult your local Pharmacist for the appropriate course of treatment and make sure the school is informed also.

Peter Johnston
Principal
