Get Ready for School Banking
School Banking will be launched to students during this week’s assembly (Thursday, March 28). On Thursday parents will be able to sign-up their children by opening a Commonwealth Bank Youthsaver Account. Further information can be found in the package sent home with students this week.
National Ride2School Day

National Ride2School Day saw one third of students who usually come to school by car or public transport deciding to ride to school instead. This meant that 67% of Bourke Street Public School students rode a bike or scooter to school. We counted 108 bikes and scooters, and one skateboard. What a fantastic effort!

BSPS RIDE_A_THON
FRIDAY 5 APRIL

If you’d like to volunteer on the day to help out with either the RIDE-A-THON or the BBQ, please put your name down on the bike noticeboard, let your Class P&C Rep know or speak to Lydia or Hetty! There are already over 60 riders registered so it’s going to be a fun day for the whole school

STOP at the DOTS

The response to stop at the dots has been fabulous! Thank you to everyone who has carefully stopped at the dots, and thank you to the local businesses that have also provided their support.

If you have any questions or feedback, please email bourkestreet.pandc@gmail.com

From the Principal’s Desk......

April is Autism Awareness month. Notes and sponsor forms have been sent home regarding the walkathon and sponsorship. We urge you to support this fun event.

We will be holding a Hat Parade on Thursday, March 28th beginning at 12.15pm. Parents, friends and family members are welcome to join in the festivities.

We will be celebrating Earth Hour at school on Thursday March 28th to help reduce carbon emissions through just one hour without electricity. For more information on Earth Hour go to www.earthhour.org.

Thank you to all the parents, students and families who have donated clothing to the Stewart House appeal.

Have a happy and safe long weekend everyone, and we look forward to seeing you all back at school on Tuesday 2nd April.

School zone safety

A reminder to parents about the operation of school speed zones around the Easter holidays.

School zones exist for the safety of children and families; they will operate on Thursday 28 March, then resume on Tuesday 2 April.

Forty-kilometres-an-hour school speed zones operate across New South Wales at all school sites on gazetted school days, which are all days the school is open, even pupil-free days.
