**Braveheart**

Ditto’s Keep Safe Adventure 2013 is an interactive “personal safety” show for Kindy to year 2. This program helps to empower children to speak out about any unsafe situation. The performance at our school is on Friday 10th May at 11:30am.

**Jump Rope for Heart**

Heart Foundation Jump Rope for Heart is about teaching school children how to keep fit and healthy. Conducted by school teachers, children learn physical activities like rope-jumping to improve their strength, gaining confidence and stamina to extend their physical abilities elsewhere.

Students who participate in Heart Foundation Jump Rope for Heart have lots of fun with their peers. At the same time they are learning about helping save Australian lives by asking family and friends to sponsor them for being a part of this fun program. Funds raised go towards research to help the fight against heart disease and stroke in Australia.

Sponsor forms have been sent home. At the school assembly in Week 2 a demonstration performance, by Jump Rope for Heart representatives, has been organised and more information will be sent home early Term 2.

**From the Principal’s Desk…..**

Currently the school is undergoing major renovation works during the holidays. The team of tradesmen are painting, repairing and relaying carpet and playground surfaces. Hopefully when we return the major work will be completed.

Aspect Autism walkathon was another huge success. Thank you to Robyn and her team for a great day promoting Autism Awareness.

The P&C are in the processes of finalising the string program to commence in Term 2. Thank you for supporting these great initiatives and opportunities for our students.

Thanks again to everyone in our school community for all their efforts and support throughout the term. Enjoy the break, because you deserve it.
