Selective High Schools
Are you already thinking about your child’s Year 7 placement in a selective school in 2016? Selective high schools are government high schools that cater for highly-achieving, academically talented students by offering an educationally enriched environment.

Application for entry to a selective high school in Year 7 in 2016 will be online only, from 14 October, 2014.

You’ll find more information about selective schools and dates for examinations here:

From the Principal’s Desk…
Thank You! Thank You! Thank You! to our outstanding school community for their hard work in organizing another successful school fete. Also thank you to the Surry Hills community for coming along and supporting the fete. It was a fantastic community event and through everyone’s generosity and efforts the P&C raised almost $50,000. This is an incredible amount of money that will benefit our students. So once again a BIG THANK YOU!

Peter Johnston
Principal
