From the Principal’s Desk...

Last Thursday, the whole school participated in the “Music Count Us In” live stream. A fantastic experience watching our students performing the same song sung around the country by thousands of other boys and girls.

Unfortunately the Surry Hills Neighbourhood Centre (SHNC) will not be continuing their after school service at Bourke Street Public School in 2015. The school has commenced the DEC tender process to organize a new service provider for next year.

We would like to acknowledge the wonderful work SHNC has done throughout the years to assist in establishing a rapidly increasing service to meet the changing needs of the Bourke Street Public School community. The hard work from the SHNC staff has dramatically contributed to the increasing successes at BSPS and on behalf of everyone in our school community we THANK YOU! for providing the desperately needed after school care service to our families.

An Expression of Interest form has been distributed for parents to complete for 2015 after school care. Once a new service provider has been secured, this information will be forwarded to them so that they can contact you to confirm your booking for 2015.

Principal

Expression of Interest for the 2015 After School Care Service.

Dear Parents and Carers,

Surry Hills Neighbourhood Centre (SHNC) will not be continuing their after school service at Bourke Street Public School in 2015.

A new provider will be determined through the DEC tender process and be ready to start for the 2015 school year.

Parents should direct all questions and enrolments for 2015 directly to the school, for the short term, until a new provider is secured.

The attached “Expression Of Interest” form replaces any previous forms that may have already been lodged with SHNC for 2015.

Please complete the form and returned to the school by Monday 1\textsuperscript{st} December 2014. The completed EOI forms will be forwarded to the successful service provider who will contact you and confirm bookings.

Kind regards,

Peter Johnston

Bourke Street Public School students are encouraged to come dressed in orange to show their support for the Orangutans, and bring a gold coin donation.

Discussion about services, different agencies, choices on what interests you, like parenting, support behaviours, development stages, supporting children with development, respite.

Meet with representatives from Autism Spectrum Australia, South Sydney Community Aid and Multicultural Neighborhood Centre, Eastern Sydney Multicultural Access Project and ADHC Community Access for tips on ways to develop a support network that's good for you.

Come along to let us know your views. There'll also be assistance from a Bahasa Indonesian Interpreter. It'll also be an opportunity to become familiar with local Bahasa Indonesian speaking Community Workers available at local agencies.
