**From the Principal’s Desk...**

Even though this is the last week of Term 2 there are still many exciting activities still planned to complete another busy term.

Last week we had a visit from Minister Piccoli. He officially announced that Bourke Street Public School was part of the 2014/2015 budget to receive a multi-million dollar upgrade. Details have been attached. Soon a Project Control Group (PCG) will be formed to manage the process that will increase the school’s capacity to meet the needs of our rapidly growing community.

**Tuesday 24th June is the Greek Canteen Day.** There are many delicacies to tantalize the taste buds. Order forms should have been completed and given to Elham to avoid disappointment.

Our school is running a focus group for EAL\D (English as an Additional Language or Dialect) parents and students. Thank you to those parents who have accepted to participate. Don’t forget it is in the school library on **Tuesday 24th June at 6:30pm-8:30pm**. The student focus group will be held on Wednesday at 10am.

**On Thursday 26th June the recorder group** will be attending their final rehearsal during the day in preparation for their evening performance at the Opera House, well done to them all and especially Mr Goode for making it all possible. We are very fortunate that they will also be performing that **morning at the school assembly** prior to departure.

**Thursday is also “Stay in Bed Day”** so don’t forget to wear your pyjamas and order your breakfast. These forms have already been sent home and are available on the school app.

**Also on Thursday** your child’s semester one report will be sent home. Please make sure you retrieve it from your child’s bag.

**Friday is Red/Black/Yellow Day.** Don’t forget to wear red/black/yellow to celebrate NAIDOC Week.

**Also on Friday** is the final Bourke Street Beat performance for this term. We are very lucky to have the **Marching Band performing** at 10am in the School playground.

Finally I would like to take this opportunity again to **commend the students, staff, parents and the P&C** for their continued support in making Bourke Street Public School the fantastic school it is today. Our school is a reflection of our community. One of which I feel very privileged to be a part of.

Second Hand Uniforms
Our little uniform exchange has earned a mighty $98 and saved Bourkey families more than $500. Please continue to donate clean, preloved pieces to the box in the canteen and help yourself to items with payment to Elham.

Music Committee NEWS
There are still violins available for hire through the school, should there be any kids interested in starting strings next term. Please contact the music committee on:

bourkestreet.music@gmail.com

Also make sure that you contact Alex at Music Partnership to arrange tuition:

Alexandra Bieri: alexbieri@musicpartnership.com.au

Thank you for your continued support.

P&C Committees
The P&C’s have a number of committees focused on different aspects of school life. Being part of a committee is a great way to get involved. If you wish to join or find out more about a committee please contact the relevant person below.

The NSW Government has announced an upgrade to the facilities at Bourke Street Public School as part of the 2014/15 budget.

The project will provide new state of the art facilities in response to increased enrolments due to significant residential growth within the local area.

Two new classrooms will be built and will include practical activities areas, an operable wall between the two rooms to enable a flexible multiuse learning environment, withdrawal areas for small group activities and storerooms.

An additional classroom space will be created through a back-conversion of the existing hall and the school canteen will be upgraded.

A new communal hall, covered outdoor learning area and additional student toilets will also be built.

The new facilities will support current and future teaching and learning requirements through the incorporation of the latest IT provisions including Wi-Fi and interactive whiteboards.

The new buildings will be designed to maximise energy efficiency and ecological sustainability through the inclusion of passive ventilation, thermal performance and comfort, natural lighting and water recycling management.
Mitochondrial disease (mito) is a debilitating, incurable genetic disorder that robs the body’s cells of energy, causing multiple organ dysfunction or failure, and potentially death.

Mitochondria are the energy source in every body cell, transforming food to produce 90% of the energy the body needs to function and sustain life. They are most plentiful in organs that require a lot of energy to function, like the muscles, brain, heart, liver, ears and eyes.

Mito may literally cause any symptom, any organ, any age. Mito affects 1 in 200 people.
BOURKE STREET MUSIC PROGRAM NEWS

June 2014

Did you know that more than 75% of public schools in Australia do not have funds for a music teacher or instruments? Bourke Street’s music program continues to grow and offer all students access to broad musical opportunities.

Our school’s talented Recorder Group is preparing for its second annual performance on the big stage at the Sydney Opera House on Thursday, 26 June. Congratulations to our dedicated recorder players and the teachers who have helped them learn and enjoy their instruments since the group formed in 2013. Some of our students are in the advanced recorder section. We wish them all well for their performance.

Music continues to fill our classrooms. Musica Viva, which has given our children a valuable introduction to music thanks to Miss Vanessa and Miss Csayni, has finished and curriculum music teaching is now classroom-focused.

Kindergarten and Year 1 music focuses on singing, rhythm and percussion. Recorders are now entering Year 2 classrooms and Year 3-6 students continue to play recorder and are starting to learn marimba and xylophone. Instruments and resources have come from money raised by the P&C. We hope our students continue to enjoy such opportunities in class to enhance their experience of music.

Our Junior Choir and Senior Choir provide our children with a wonderful opportunity to engage in music together, with the help of our enthusiastic teachers who make it happen. Our choir has successfully auditioned and will be singing in the Primary Proms at Sydney Town Hall in September. This is the first time we have been included in this prestigious event and we congratulate our choir and the teachers on such a big achievement.

Our popular Bourke Street Beats program is powering on with an exciting performance planned for the final day of term on Friday, 27 June, with the Navy Band to rev up our school hall. The Band will not only perform but will engage with our students by helping familiarise them with instruments.

Our Ma and Pa’s Band, which performed last month, was inspirational and an obvious hit with students, parents and teachers. We hope to hear more of their delightful sounds as the year progresses and are grateful to them for devoting their time and energy to bring music to each child.

As our string ensemble expands, we look forward to planning the introduction of more instruments into our school community with an expressions of interest survey to gauge interest in the development of a school band. The school envisages students could become involved from Year 3 onwards.

Please take a few moments to complete our survey:

**FOR THE LOVE OF PUPPETS!**
We love puppets! Seriously, puppets complete us! Join our crafty puppeteers for a ridiculously fun workshop. We’ll design our very own puppets, fill their felty lives with stories and perform the stories on a mini stage.
*Monday 30th June * 10am - Noon * For students in grades 3 - 6.

**BOOK OF BEARDS**
Roald Dahl writes, "When a man grows hair all over his face it is impossible to tell what he really looks like. Perhaps that’s why he does it. He’d rather you didn’t know.” In this workshop we’ll create a book of bearded characters and discover what they’re hiding - pet worms, breakfast, or doorways to other dimensions?
*Wednesday 2nd July * 1:30pm - 3:30pm * For students grades 3 - 6.

**I GIVE IT FIVE STARS! PART 2**
Everybody has an opinion, and this is the chance to share yours. Bring in a book and Wendy Fitzgerald, one of our wonderful volunteers, will show you how to put together an unforgettable book review. Love it, hate it, want to throw it out the window; doesn’t matter, just bring the book and get reviewing.
*Thursday 3rd July * 10am - 12pm * For students grades 3 - 6.

**GENRE JUMPING - IN THE LIBRARY**
We’re heading to Surry Hills and Kings Cross to do two special workshops! Race against the clock to create a collection of collaborative genre stories. Each session will begin with a group scenario and students will continue the story, adding characters and calamities to create their own ending.
Bookings through the City of Sydney website:
*Wednesday 2nd July (at Surry Hills Library)*
*Thursday 3rd July (at Kings Cross Library)*
*10am-12pm * For students aged 10 - 16

Learning and fun outdoors!
Looking for a fun and healthy school holiday activity that won’t break the bank? Get your kids off the couch and unhooked from the iPad with a Sport and Recreation Centre holiday program.

Sport and Recreation Centres are government-run facilities. These overnight and day adventures are offered in great Australian bush and coastline locations for kids aged 5 to 16.

See your child blossom
Our programs use challenging, adventurous activities to help kids develop independence, self-esteem and social skills.

Under the supervision of friendly and qualified staff, conquering these age-appropriate challenges can help kids develop confidence as they master new skills and make new friends.

Our affordable school holiday packages include all activities, accommodation, nutritious meals and 24-hour supervision. Supervised transport is also available to and from most camps.

Sport and Recreation Centres: getting kids active outdoors for over 60 years.

Active learning for life...
Our friendly staff are always ready to help with your booking and answer any questions. We recommend you book as early as you can to ensure your child doesn’t miss out.
