Selective High Schools

Are you already thinking about your child’s Year 7 placement in a selective school in 2016? Selective high schools are government high schools that cater for highly-achieving, academically talented students by offering an educationally enriched environment.

Application for entry to a selective high school in Year 7 in 2016 will be online only, from 14 October, 2014.

You’ll find more information about selective schools and dates for examinations here: http://bit.ly/selectiveHS

From the Principal’s Desk...

Congratulations to our talented students and the fantastic staff for organizing an outstanding Art Show. Queues were down the street as parents, friends and locals rushed to view the extremely artistic exhibition being held in the school. As a result of your generosity the school raised almost $6000 from the event.

On Tuesday students will be attending the Primary Proms performance at the Town Hall. We were fortunate to have been selected to perform and it showcases the diversity of talented students that attend Bourke Street Public School.

On Thursday Jaiden, Vasilis, Crozier & Billy G will be representing our school at the Regional Spelling Bee. We wish them every success on the day as we know they will do their best!

Andy Griffiths, the children’s author, will be visiting our school on Thursday 18th September at 9:30am straight after assembly. If children have books at home which they would like him to autograph they may bring them in but it will be limited to 4 books per child. Also Oscar and Friends have been organised as book sellers on the day should you wish to purchase any of his books.

The school disco is also on this Thursday from 5pm-7pm. Please ensure you have purchased your tickets prior to the event as they will not be available on the night. The theme: “Fabulous Fluro”. Thanks to Miss McLaughlin for organizing this event.

Congratulations to the P&C Road Safety Committee. The Stop at the Dots initiative has been approved by Sydney City Council and permanent dots have now been placed on the footpaths at the Bourke St & Cleveland St intersection.

Sadly we say farewell to Ms Csanyi on Friday. She has been a great RFF/Science/Library teacher over the past 2 terms and we wish her every success in the future as she broadens her teaching experiences.
