**2017 Selective High School Applications**

If you would like to have your child considered for Year 7 selective high school entry in 2017, you need to do so NOW. You need to apply on the internet using a valid email address (not the student’s email address).

The applications website is open from 13 October 2015 and **closes on the 16 November 2015.**

School Student Transport Scheme applications – Opal Cards

From 2 November 2015, a new online SSTS application process is being introduced for schools within the Opal network, coinciding with the introduction of the School Opal card. Schools outside the Opal network should continue to process the existing blue SSTS application forms and send them to the appropriate transport operators.

**Automatic renewal.** Most parents, guardians and students won’t need to apply for a School Opal card if they have already been given a school student travel pass for the current year.

School Opal cards which are being *automatically renewed* will be sent to the student’s school at the beginning of the new school year in 2016.

School Opal cards applied for using the new online process will sent to the student’s nominated address ready for term one 2016.

Students should use the new form if they:
- are just starting school and have not had a pass for travel before
- are in moving from year 2 to 3 or year 6 to 7
- are changing schools or campus, including going between primary and secondary school
- or, if their personal details have changed (e.g. address)

To order a new School Opal card, students go direct to [www.transportnsw.info/school-students](http://www.transportnsw.info/school-students) or call 131 500.

**Emergency Contact Details**

If you have changed your phone number or address, please advise the school immediately so we can update our records.

**From the Principal’s Desk…**

Thank you to the P&C for their lovely gift (coffee & cake) on behalf of the school community to **celebrate “World Teachers’ Day”**. It was greatly appreciated by all staff. Bourke Street Public School is extremely lucky to have talented, dedicated and caring teachers.

Congratulations to our students who participated in the **Choral performance at the Sydney Opera House**. The night was another outstanding performance showcasing the talented students throughout NSW in Public Education. Thanks to Mr Goode for his hard working in providing this opportunity for the students at Bourke St.

This Thursday evening is the parent workshop on **Cybersafety**. Staff and students have already participated in these workshops. The parent workshop promises to be another informative and educational experience.

Hope to see you there!

Principal

Dear Resident / Business owner,

Have your say on a new park in Surry Hills

The NSW Government’s CBD and South East Light Rail route provides us with an opportunity to revitalise the Devonshire Street area.

The City of Sydney will create an expanded Wimbo Park on the Olivia Gardens site, which is about the same size as a rugby league playing field. A map of the new park is overleaf.

But before we start any design work, we want you to tell us how you would like to use this new open space, so we can create a design to meet your needs.

The City will have an information stall at Wimbo Park (intersection of Bourke and Devonshire streets, Surry Hills), on **Saturday 7 November 2015** from 11am–2pm.

I will be there at 11am and look forward to seeing you.

Please come along to learn more about the project, enjoy a free coffee, and have your say.

You can also go online to have your say at sydneyyoursay.com.au. Comments should be submitted by 30 November 2015.

Your feedback will help us develop concept designs that will be subject to further community consultation.

We are working closely with the NSW Government to develop the new open space alongside the light rail construction.

If you would like to speak with a City officer about the new park proposal, contact Kristina Kalnins, Senior Communications & Engagement Advisor, on 02 9265 9333 or email kkalnins@cityofsydney.nsw.gov.au

For information about the CBD and South East Light Rail project, please contact Transport for NSW on 1800 684 490 or email projects@transport.nsw.gov.au.

Yours sincerely

Lord Mayor Clover Moore
