To help transfer some plants from the gardens that will be demolished. We just need a couple of strong people to help us relocate a few pots and a couple of small trees we don’t want to loose. If anyone can spare a few hours even just an hour to help me I would really appreciate it. The entire back garden and cola garden will be demolished. Please let me know if you help!!!

From the Principal’s Desk…
An outstanding performance by the whole school community at last week’s school concert! The event showcased our talented students, creative staff and supportive parent community. It was An Eighties Extravaganza we will never forget!

Remember Selective High School online applications for 2017 close on 16th November 2015.

Staff are currently developing a hand washing program to encourage children to wash their hands correctly. Thanks to Kalita for making a short film, which all children will view, to reinforce the correct way to wash your hands. Soon NEW soap pumps and sanitizers will appear in all classrooms.
