2015 School Photos
Order forms for the school photographs on Friday 27th March have been sent out. Please ensure that the correct money is in the envelope because the school photographer handles all transactions. Should you require a sibling (family) photograph; a different envelope can be collected from the school office for you to place an order.

Premier’s Reading Challenge
The Premier’s Reading Challenge encourages students to take up reading as an activity of choice in their leisure time and ultimately enhances literacy performance in our schools. It is a challenge to each student to read, to read more and to read more widely. The school has registered all students in the 2015 Challenge. More information about the 2015 Premier’s reading Challenge and all the latest news is available at: https://products.schools.nsw.edu.au/prc/home.html

From the Principal’s Desk...
This week is parent/interviews with your child’s class teacher. This is an invaluable time to share and exchange information regarding your child’s progress and educational needs. If you are unable to make your meeting, please notify the school immediately so that another time can be rescheduled. If you haven’t organized a time we encourage you to contact your child’s teacher to book in a time.

The School’s Cross Country Carnival is on this Wednesday. Information has already been sent home regarding this event. Good Luck to ALL competitors!

Last week Florance (Yr5) attended the basketball trials and has been selected to be a member of the State Basketball Team. Congratulations on an outstanding achievement!

Second Hand Uniforms
There are a few pieces to buy for $2, $5, and $10. These can be purchased through the canteen. We encourage families to bring surplus, laundered pieces to the canteen where there is a collection box.

An invitation to help with watering the gardens in Term 2
As you are all well aware a gigantic effort went into creating the beautiful garden & outdoor play space we have in the front and back of the school. To ensure the garden survives and continues to grow, bloom and thrive we need to keep it well watered.

The Garden Committee would like to have a roster of people who are happy to come and water the gardens.

Please contact Sacha if you can help. sachacreative.com
