From the Principal’s Desk…

The Building Update meeting held on Wednesday 24th June at 6pm was very informative and exciting as the PRG team explained the planned upgrade to our school’s facilities. Dr Sylvia Corish announced that the DEC had allocated additional funding for the project to ensure both stage of the master plan to be built.

The BEAR Program (Being Excited About Reading) has had nothing but positive feedback from our parent volunteers and students reading skills continue to excel. Miss Ghunaim would like to thank all parent helpers for their efforts throughout Term 2 and encourages others to join the program in Term 3.

The school was advised on Wednesday last week that Miss Davison was the successful candidate as a Curriculum Advisor at Glenfield Office effective from Monday 13th July 2015 for the remainder of the school year.

I’m sure you will join me in congratulating Miss Davison on this appointment.

I would like to welcome Miss Georgie Loveridge to Bourke Street Public School who has accepted the temporary appointment as the classroom teacher of KD for the remainder of the school year.

As a result of the recent staffing changes the following will occur:

- KD will be known as KL from term 3 onwards.
- 2W will be known as 2Z from term 3 onwards.

Miss McLaughlin will be the Relieving assistant Principal for Miss Davison’s position & Miss Saville will be Acting assistant principal for the unfilled vacancy.

Once again thank you to all our talented students and staff for their efforts throughout Term 2. Special thanks to our parent and school community who are extremely supportive and assist us in delivery quality education and extra curricula opportunities for all our students.

Enjoy the holiday break ☀️

Peter Johnston
Principal
