From the Principal’s Desk...

If you haven’t noticed already there is a lot of activity happening around the school as we prepare for some minor upgrades to school facilities in preparation for the planned major works and construction.

Areas of the school that have been under-utilized will soon undergo refurbishment to improve the most effective use of these spaces. I encourage everyone to attend:

The Building Update Presentation

On Wednesday 24th June 2015 at 6pm there will be a building update presentation on the planned facility improvements for Bourke Street Public School. Everyone is encouraged to attend to receive the latest information, first hand, about the developments and staging of this exciting project that will transform our school’s learning facilities and environment.

Peter Johnston
Principal

P&C Executive

Julia Kosky, President
Nina Fordham, Vice-President
Victoria Lucas, Vice-President
Verity Froud, Treasurer
Gabi Wynhausen, Secretary
As part of **STAY IN BED DAY** there will be a special breakfast “in bed” on **Friday 12 June**.

+ Wear your pyjamas
+ Join us on the blanket bed 8–8:30am
+ Slipper Toss, Bed Head (gold coin) and Guessing Competition (10c per guess)

Please return this completed **Order Form** and **money** to the **Canteen** by **Friday 5 June**.

### BREAKFAST MENU  Friday 12 June

</table>

We are pleased to advise that half the breakfast proceeds will be donated to the AMDF. Thank you for supporting the Bourke Street Public School Canteen and the P&C.

**Elham**  
Canteen Manager

Mitochondrial disease (mito) is a debilitating, incurable genetic disorder that robs the body’s cells of energy, causing multiple organ dysfunction or failure, and potentially death.

Mitochondria are the energy source in every body cell, transforming food to produce 90% of the energy the body needs to function and sustain life. They are most plentiful in organs that require a lot of energy to function, like the muscles, brain, heart, liver, ears and eyes.

Mito affects 1 in 200 people.  
Mito may literally cause any symptom, any organ.

TO BOURKE STREET PUBLIC SCHOOL

Let’s COOK ‘N EAT - Naturally!

Welcoming your children into your kitchen is the best way of ensuring they will eat healthily in the future. Children are born curious, they love helping and they are quick to pick up and learn. Learning about our food afterschool is a good first step in assisting in this natural process of eating seasonally and eating right. We will COOK ‘N EAT – naturally! We will be witness to a child making their 1st magical dish and then you share this experience with loved ones for a lifetime! You are all more than welcome to join our table!

BOOKINGS NOW OPEN FOR TERM 3 2015

Please call Tutor: SOULA KOUTOUZIS M: 0487 026 928

STITCH ‘N SEW

Measure memory in every stitch and do this with passion & friends.
Come and create treasures of the heart by following a step by step guide or simply go riot on your own passion.
In this class students will learn to STITCH ‘N SEW. They will develop and decide on ideas using their own imagination. They will work through a simple design process and exercise their problem solving skills and fine tune motor skills.
Little ones will marvel in the enormous fact that they too can STITCH ‘N SEW...What an amazing confidence booster!
