4/5M   Esin
5/6L   Amelia

CLASSES OF THE WEEK
10 & ???
From the Principal’s Desk…

Congratulations to Miss Kirk and the recorder group who performance at the Opera House on Thursday night as part of the Festival of Instrumental Music. It was an outstanding night that showcased the musical talents of students in Public Education throughout NSW.

There are many activities planned over the next couple of weeks. All information and invitations have been placed on the school app. Please refer to the school app. or website to avoid confusion.

As from Friday 14th August until Monday 7th September 2015 Mr. Goode will be relieving Principal and Miss Gill will be delivering the curriculum to 3/4G whilst I am on leave.

Peter Johnston
Principal

Second Hand Uniforms
Our little uniform exchange has earned a mighty $98 and saved Bourkey families more than $500. Please continue to donate clean, preloved pieces to the box in the canteen and help yourself to items with payment to Elham.

Next P&C Meeting

Wednesday
2nd September 2015
at 6pm

Come along and get involved
😊ALL WELCOME😊

P&C Executive

Julia Kosky, President
Nina Fordham, Vice-President
Victoria Lucas, Vice-President
Verity Froud, Treasurer
Gabi Wynhausen, Secretary

“Real humanity is shown when we care for others” - Professor Fred Hollows

The Fred Hollows Foundation is keeping Fred’s vision alive through The Fred Hollows Humanity Award which recognises Year 6 students who follow in his footsteps by showing care and compassion for others.

After three successful years in the ACT the Award is expanding into NSW with the support of NSW Premier Mike Baird.

Teachers, principals, parents and members of the community are encouraged to nominate a compassionate Year 6 student through the online nomination form by August 21. It’s a great opportunity for students to be recognised outside the sporting and academic realm.

All nominees and their parents will be invited to a presentation ceremony in Sydney to announce the NSW winner.

To nominate a student and learn more about the award go to [www.hollows.org.au/humanityaward](http://www.hollows.org.au/humanityaward)
Dear Parents and Carers,

National Science Week is quickly approaching. In week 6, on **Wednesday 19\textsuperscript{th} of August from 2-3pm**, parents and carers are invited to come into classes to see some amazing experiments. The activities will be based around the National Science Week theme, Making Waves: the Science of Light.

We hope you can make it on the day.

**Whole School Science Activity**

In **week 5, from Monday 10\textsuperscript{th} of August**, students will be making balloon rockets. Please see the attached instructions for details and to allow your child to practise the experiment. Students are allowed to bring their own balloons but are asked to make sure they have them available for their library session from Monday of week 5, otherwise all materials will be made available for them at school.

Warm regards from the Science Team,

Kristen Cherrie, Chris Stone and Ro O’Carolan
22/07/2015
MAKE A BALLOON ROCKET!

YOU WILL NEED:
- 1 balloon (round ones will work, but the longer “airship” balloons work best)
- 1 long piece of kite string (about 10-15 feet long)
- 1 plastic straw
- Tape

WHAT TO DO
1. Tie one end of the string to a chair, door knob, or other support.
2. Put the other end of the string through the straw.
3. Pull the string tight and tie it to another support in the room.
4. Blow up the balloon (but don’t tie it.) Pinch the end of the balloon and tape the balloon to the straw as shown above. You’re ready for launch.
5. Let go and watch the rocket fly!

HOW DOES IT WORK?
So how does it work? It’s all about the air…and thrust. As the air rushes out of the balloon, it creates a forward motion called THRUST. Thrust is a pushing force created by energy. In the balloon experiment, our thrust comes from the energy of the balloon forcing the air out. Different sizes and shapes of balloon will create more or less thrust. In a real rocket, thrust is created by the force of burning rocket fuel as it blasts from the rocket’s engine – as the engines blast down, the rocket goes up!

MAKE IT AN EXPERIMENT:
The project above is a DEMONSTRATION. To make it a true experiment, you can try to answer these questions:

1. Does the shape of the balloon affect how far (or fast) the rocket travels?
2. Does the length of the straw affect how far (or fast) the rocket travels?
3. Does the type of string affect how far (or fast) the rocket travels? (try fishing line, nylon string, cotton string, etc.)
4. Does the angle of the string affect how far (or fast) the rocket travels?
Bourke Street Public School’s 2015 Book Week

This year makes the 150th anniversary of “Alice in Wonderland”. This is the theme for our school’s book week parade. Everyone is encouraged to come to school dressed as a character from the book.

When: Monday 24th August 2015 @ 12noon
Where: Bourke Street Public School’s playground
As part of the National Literacy and Numeracy Week, Bourke Street Public School will have the following events:

<table>
<thead>
<tr>
<th>Date</th>
<th>Day</th>
<th>Time</th>
<th>Activity</th>
</tr>
</thead>
<tbody>
<tr>
<td>31st August</td>
<td>Mon</td>
<td>11:30am</td>
<td>Author Workshops – James O’Loghlin</td>
</tr>
<tr>
<td>2nd September</td>
<td>Wed</td>
<td>All Day</td>
<td>Work-out Wednesday</td>
</tr>
<tr>
<td>3rd September</td>
<td>Thurs</td>
<td>11:30am</td>
<td>Effective Communicators Assembly</td>
</tr>
</tbody>
</table>

**On Work-out Wednesday (Fun Day)**
Bourke Street Public School will be focusing on creating and manipulating shapes throughout the day.

*All children are encouraged to wear their work-out gear for the fun day.*

**Work-out Wednesday**  
*(What shape are you in?)*

**Effective Communicators Assembly (Thursday)**
Bourke Street will be showcasing their public speaking skills with representatives from each grade presenting speeches to the whole school.
