Dear Parents/Caregivers,

Bourke Street Public School is celebrating National Ride2School Day on Friday 23rd March. National Ride2School Day is Australia’s largest celebration of walking and riding to school. National Ride2School Day is a chance for brand new riders to experience riding and walking to school for the first time. They might find that it is quicker, more interesting and lots of fun to walk and ride to school!

On this day the whole community is encouraged to walk and/or ride to school. It is a chance to celebrate walking and riding on a large scale and to prove it can be done. After showing it’s achievable on this day students are encouraged to keep the momentum going throughout the year.

This year our school has been selected to be the media hub for the day. This means that TV and the press will be here to photograph film and possibly interview children.

The theme this year is

“BLING your Bike”

Lydia will have some accessories for children to BLING their bike when they arrive at school but we strongly encourage for this to be done prior to the day as it will make a great photograph.

Please complete the permission form below for your child to be photographed and interviewed.

Kind regards,
Peter Johnston
Principal
