The P&C needs your Help.....

The P&C are looking for a parent or friend with accounting experience to volunteer a few hours of their time to go through the canteen/P&C finances for the previous years.

If you can help, please let a member of the P&C Committee or contact the school so that we can forward the information on.

Braveheart Performance

**The performance is on
Wednesday at 11.30am.**

Cost \$4

Note have already gone home. Should you require another note please contact the school office.

Library News

It is the International Year of Astronomy. So for the next few weeks in Library Lessons we will be reading and researching the stars, planets and space journeys. If you would like to find out how you and your children can celebrate at the Sydney Observatory go to the Sydney observatory website for details.

www.sydneyobservatory.com.au

Remember if your child does not have a library bag they can purchase one for \$5 at the school uniform shop.

Happy reading,

Ros Gestier School Librarian

School Newsletter by email

The school newsletter can be emailed to you or downloaded from the school website. If you would like this to occur please email your request to the school:

bourkest-p.admin@det.nsw.edu.au

From the Principal's Desk.....

The High School Transition program started this week with Alexandria Park High School. The Year 6 students are being bussed to and from the High School every Tuesday free of charge. They are finding the program very exciting and motivating. Each week they come back discussing what fun activities they did.

The YWCA Mentoring program also began last week. Year 5 & 6 students are being visited each week on Thursdays for a one on one mentoring program with people who have been trained and volunteer their time to interact and assist the students in the school environment. This is a new and positive experience for everyone concerned and I know they are looking forward to their visits each week.

It is important that everyone remembers to update their emergency contact details with the school. If you have changed your phone number or mobile numbers please notify the school so we can update our records.

To limit disruptions to classes a basket is now located in the school's office for parents to place their child's recess or lunch if you need to drop it off during the day. The staff will ensure your child will receive it at a convenient time. We appreciate your cooperation.

So many students are making the effort to wear their school uniform. Remember open toed shoes are NOT part of the school uniform and are not practical for school activities e.g. sport. We are still waiting for back orders of school uniforms to be delivered and we apologise for any inconvenience.

Peter Johnston
