BOOKWEEK

Notes will be going home this week about the BOOKWEEK performance that we will be attending at Crown St. Public School as well as the Book Fair and Parade held here at the school. The Theme this year is "BOOK SAFARI" and we are encouraging all students to dress according to the theme. i.e. animals, jungle, hunters, explorers, etc.

SHOWCASE PERFORMANCE

Kindergarten to Year 2 students will be participating in the 2009 Showcase Performance.

Notes will be going home to parents to provide information of sizes for your child as well as information and requirements on the rehearsal and night performances. Could parents please return these forms promptly so costumes can be organized and purchased.

We would like to thank the P&C for their generous donation towards the cost of the costumes.

The rehearsal is on Wednesday 26th August at 9.30am. Buses have been organized to transport students to and from South Sydney Juniors Club for this day. It is extremely important for all students to arrive at school on time to avoid missing the bus.

The actual performance is on Thursday 3rd September at 7pm.

On the night students will need to assemble at Maroubra Junction Public School's hall at 6pm. From there they will be bussed across to South Sydney Juniors Rugby Leagues Club.

In the past students have met at St Luke's Church. Please note that this **will not** be happening this year.

To order tickets for the performance please contact the school's office for information and prices.

From the Principal's Desk.....

Bourke Street Public School this term has become an even calmer environment to learn with the introduction of Yoga classes and piano lessons.

Yoga classes began last week and the students responses has been very positive as well as the teachers.

The hallways of Bourke Street Public School are being filled with beautiful music as students undertake their piano lessons on Fridays. I would like to thank Tatjana for her patience and passion to teach students the piano.

The Mentors program for the senior students and the R.O.A.R program for Years 1-3 students are underway with pleasing feedback from everyone concerned.

Later this term, J.P. Morgan employees will begin a mathematics tutor 10 week program for our Year 1 students which will continue into Term 4.

We are so lucky to have access to so many community helpers who volunteer their time to assist our students with learning.
