#### **Student of the Week**

KP	Tanesha
1/2G	Arada
3/4/5/6W	Nando

**Keep up the Great Work Everyone!!**

#### **Head Lice**

We have several cases of head lice in the school. Please take the appropriate action of checking your child's hair and scalp for any evidence of infestation.

Thank you for your cooperation in this matter. It is the only way to beat the little critters. ☺

## **Human Swine Flu**

It is due to the changing situation in Victoria that NSW Health has announced that **children and school staff who travel to greater metropolitan Melbourne will be required to stay away from school for seven days after their return to NSW.**

**This is the same policy that we have had in place for overseas travellers returning from countries affected by human swine influenza.**

**These countries are: Mexico, USA, Canada, Panama and Japan**

This exclusion from school will allow time for any illness related to that travel to develop, and for prompt assessment and treatment to commence. If the person remains well after seven days they can return to school.

#### **Absent Notes**

If children are absent from school or late to school, parents or carers are required to provide the school with a note explaining their absence within seven days.

#### **Emergency Details**

Please inform the school of any changes to home phone numbers or mobile numbers. So we can keep our records current.

#### **From the Principal's desk.....**

A copy of The Annual School Report for 2008 has been sent home today to all families. Great to see everyone getting into the spirit of the Premier's Sports Challenge.

☺ **Keep Fit and Keep Active** ☺
