Brave Heart Performance

Children from K-3 attended the Brave Heart performance last week. It was a thoroughly entertaining experience informing children about how it is important to feel safe and tell people they can trust about bad feelings.

Ditto is a lion and teaches K-12 people in Australia. Ditto makes people big or small feel safe. We learn about bad and good secrets, to talk to someone you can trust, warning signs, happy and yucky feelings. The message is to be safety smart. Ditto can speak and dance. Ditto you are the best!

From the Principal's Desk.....

We are embarking on a campaign to promote and improve the profile of the school to the surrounding community. Bourke Street Public School is a great school with students that possess a lot of potential. We are asking all parents and carers to spread the word in the community about the great things that are happening in our school. With the support of the P&C a leaflet drop is happening over the next few weeks and local businesses and pre-schools will be visited by the Principal to ask everyone to support their local school.

Harmony Day

The school will be celebrating Harmony Day on Friday 20th March. Keep an eye on the front of the school as it transforms into the spirit of Harmony Day. This year's theme is "Everyone Belongs". Stickers and badges have been organized for the day and the students have been busy making decorations for the school.

On this day students have been asked to wear something orange.

The school assembly will be at 2.30pm and then at 3pm the P&C "Welcome to New Parent Afternoon Tea". All parents and carers are welcome to attend.

It is a great time to catch up with other parents in the school community and reinforce harmony day and the sense that *everyone belongs*.
