1/2G	Peter
3/4/5/6W	Cary

**Keep up the Great Work Everyone!!**

## Object Gallery

Students attended the Object Gallery exhibition this week. They came back from the experience fully inspired to produce works of art. The students particularly enjoyed the zoo animals.

## Maths Tutors

Volunteers from a banking group will be working with some Year 1 & 2 students next term. This Friday is a workshop to explain the program and to meet the students.

## Gardens Working Bee

The greening of Bourke Street Public School is starting to happen. On this Sunday we are inviting anyone who would like to come along and get their hands dirty. It is planned to prepare the hexagonal garden outside the Kindergarten room for planting. If you want to be involved feel free to come along at 10.30am Sunday 27<sup>th</sup> Sept.

## From the Principal's Desk.....

National School Pride funding for our school has been completed with the painting of the front of the school as well as the administration block.

Last Friday I had a meeting with the Building Education Revolution (BER) entourage to examine the scope of works for the project. Early Term 4 we should receive confirmation of approval for the scope of works and work will commence prior to 1<sup>st</sup> December.

From the \$850,000 BER funding allocation Bourke Street has nominated to have all classrooms and the library refurbished.
