From the Principal's Desk.....

Parents we are trying to limit disruptions to your child's learning and education.

It is best if you make an appointment to speak to your child's teacher. This can be done by leaving a message at the office for the teacher to contact you to make arrangements for a convenient time.

Great to see the students are working hard and following the school rules.

DVD "Environment" Sale

DVD copies of the ENVIRONMENT movies are now available for students, family and friends of the school.

If you placed an order on the night of the OSCA awards, we have reserved you a copy. This must be paid for before February 20 or your copy may be sold to someone else. The number of copies is limited.

If you have NOT reserved a copy, there are some spares but it is a case of first in. Please contact the office to arrange pick-up and payment. Cash only.

There are also some copies of the VALUES and BULLYING DVDs remaining from last year at the same price of \$12 each.
