3/4/5/6W	Isaac

Keep up the Great Work Everyone

WORKING BEE

A working bee has been organised for the completion of the school's vegetable gardens on Saturday 31st October.

The recent down pour of rain has delayed the official opening ceremony and a new date is yet to be chosen.

Be prepared to get dirty. Bring your gloves, shovels and WHEELBARROWS to use on the day.

☺ *All help is appreciated* ☺

P&C Meeting

Wednesday 28th October
at 3:15pm

Regional Premier's Spelling Bee

At the end of last term the Regional Premier's Spelling Bee was held at Glebe Public School. Klara and Mamun competed in the junior division while Cary and Michelle competed against the seniors. Congratulations to these students for representing our school so very well. Unfortunately they didn't win, but they should be very proud of their outstanding achievements at regional level.

Parent Survey

A survey for parents, students and teachers will be sent shortly on school culture and Technology as part of the Annual School Report. This will also include the usual two general questions on what we are doing well as a school and what areas there are for improvement. I urge you to return this survey when it goes out in a couple of week's time.

FREE Child Restraint Checking Day

You can have your child car restraints, harnesses and booster seats checked for safety and correct fit.

Children's car restraints will be inspected by RTA Authorised Restraint Fitters. Bookings are essential, please call Randwick City Council's Road Safety Officer on (02) 9399 0786

An initiative of your local council as part of the Local Government Road Safety Program.

DATE: 4 November 2009

TIME: 10:00 AM

LOCATION:

Randwick City Council Town Hall
Corner Avoca Street & Frances Street
Randwick

Computers looking for a home

The school currently has 4 IMAC computers that have been written-off. They no longer have the capacity to perform the necessary functions for our changing technology world at school. These computers are basic models that could be used for word processing. If you would like to provide a new home a computer could you please let the school know by Wednesday 28th October? If we have more than 4 people interested in providing a home then we will have to draw names out of a hat.

School Photos

Order forms and information about the school photos on the 19th November are going home today. Please complete and return to the school as soon as possible.

2010 Kindergarten Transition

The second transition day is on Monday 9th November. Please spread the word to prospective Kindy children and parents for next year. If your child is attending Kindergarten next year please contact the office to complete the enrolment forms if you have not already done so.

From the Principal's Desk.....

Students in 3/4/5/6W completed the "Week of Taste" program last Friday with the visit from the owners of the Bourke Street Bakery. The students really enjoyed the visit and playing with dough. A reporter from the Sydney Morning Herald was present and an article should appear in this week's "Good Living" about the event.

Ms Gestier will be finishing the school year early as she goes on a well deserved break from Thursday 5th November. We wish Ms Gestier and very Merry Christmas and an enjoyable holiday and expect to see her again in 2010. For the remainder of the year Ms Kirk will deliver the teaching program to 1/2G.
