3/4/5/6W	Michelle

**Keep up the Great Work Everyone!!**

## CALLING ALL BOOKS

Could children please make a big effort to return their library books before the school holidays?

## **From the Principal's Desk.....**

The Sydney City Council portable gardens will be delivered to the school on Monday 12<sup>th</sup> October during the school holidays. On the first day back at school all students will participate in a lesson from the horticulturalist and then plant the planters as well as the hexagonal garden outside KP.

Landscapers are being organized to transform the cricket net area into gardens for the "Kids Kitchen" launch on Saturday 31<sup>st</sup> October. More information will be sent home early next term regarding the event. Plans are displayed in the school foyer for viewing of the proposed gardens

We have had another busy term and all children and staff deserve a well earned rest. But before we go on leave I need to thank lots of people.

- The **students** at Bourke Street Public School for another hard working and exciting term at school, especially the outstanding dance at the Bondi Region Showcase performance.
- The **parents** and the **community** for supporting the school in many ways. From the making of the costumes to the digging of the gardens.
- The **P&C** from organizing events and supporting the school through publicizing the Kindergarten information nights.
- The **teachers, the support staff and the office staff** for ensuring the smooth daily operations and providing a safe and stimulating environment for the students.

Peter Johnston

Principal
