Keep up the Great Work Everyone!!

Text Books Fees

Thank you to all parents who have managed to settle their account. There are some text book fees still outstanding. Payments can be made at the school office. Should you have problems or difficulties with making this payment, please make an appointment with the Acting Principal.

Stewart House

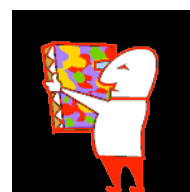

Today Stewart House clothing collection bags were sent home. This is a time to clean out those cupboards and finally throwing out that clothing that is not needed anymore. The scheduled date for our school's collection is

Tuesday 7th April.

1/2G Excursion

Notes have been sent home regarding the 1/2G excursion to the Museum of Contemporary Arts. It is important for all parents and carers to ensure the permission forms are returned and signed to avoid disappointment.

This is a free excursion

Easter Eggs

The P&C are desperately in need of donations for the upcoming Easter celebrations. If you can donate Easter treats for the raffle basket it would be greatly appreciated. All donated items can be left with Ms Karen in the school office.

😊😊😊 1/2G Class News 😊😊😊

As a very busy Term 1 comes to a conclusion next Thursday, I hope the holidays will give everyone an opportunity to rest and revive for Term 2.

Throughout the term in Mathematics the children have been concentrating on Time and Length and there have been pleasing improvements.

In writing the class has produced some great work on narratives, information reports and procedures. They especially enjoyed making milkshakes and writing the procedure.

In the COG's unit studied this term the children have grown plants, noticed changes in themselves and their environment. They understand that growing and changing is occurring at the time. Many children are presenting quality work at school and in their Homework Books. Well Done! We have children who regularly get 100% in spelling/Dictation tests on Friday.

For these children learning their words has become a habit and not a chore.

In the holidays encourage your children to read and to write a diary if they are travelling away.

☺ HAPPY EASTER HOLIDAYS ☺

Ros Gestier 1/2G

3/4/5/6W Excursion

Notes have been sent home regarding the 3/4/5/6W excursion to the C.A.R.E.S facility at Sydney Park. It is important for all parents and carers to ensure the permission forms are returned and signed by Thursday 2nd April to avoid disappointment. The children will be riding bicycles at this facility as they learn about road safety. It is important that they wear the school uniform and appropriate footwear. This is a free excursion.

From the Principal's Desk.....

The library is in the process of a stocktake and if you find any school library books at home please return them immediately.

"Tae Kwon do" will finish Term 1 and recommence in Term 4. I would like to take this opportunity in thanking Greg Wyllie, the instructor, for all his efforts in teaching our students the skills in martial art. If students wish to pursue this activity they can do so outside of the school hours. In Term 2 it will be replaced by the "Authors in Schools" literacy program and K-6 drama lessons in preparation for the "Cineliteracy" project.

Dance workshops will be conducted in preparation for the annual "Showcase" performance. As you can see term 2 is going to be another extremely busy period at Bourke Street Public School.

Everyone is still very busy trying to get all the work completed before the school holidays. Please remember that your child does not return to school until **WEDNESDAY 29th April**.

Peter Johnston

Acting Principal
